LIGHTWEIGHT SPEAKER MICROPHONE

MC012

The MC012 Light Weight Speaker Microphone designed for GME Commercial's CP Series radios and is well suited for basic commercial operations.

Despite its compact and lightweight design, the MC012 has a 1-watt speaker that packs a punch and a 3.5mm audio jack to support listen-only earpieces.

The MC012 has IP67 ingress protection, making it dust-tight and water proof to a depth of 1 meter for 30 minutes as well as being backed with GME's 12-month accessory warranty.
